

JAGUAR XE

SPECIFICATION AND PRICE GUIDE
JUNE 2022

XE SPECIFICATION

This is where our XE becomes your XE. You have a number of choices; from your engine and specification pack, to exterior and interior colours, wheels and those detailed touches that make the vehicle your own. You can also design and build your perfect XE on our online configurator at jaguar.co.uk

CHOOSE YOUR ENGINE You can select from a range of efficient and powerful diesel or petrol engines.	4	CHOOSE YOUR INTERIOR Once you've chosen your seat style, select your preferred colourway and veneers.	11
CHOOSE YOUR SPECIFICATION PACK To make your selection of options even easier, you have the choice of adding specification packs.	6	CHOOSE YOUR OPTIONS You can choose from a wealth of factory-fit options to create the exact vehicle you require.	14
CHOOSE YOUR EXTERIOR There's a wide range of exterior options to select from, including roof styles, paint colours, the exterior Black Pack and wheels. All enable you to truly express yourself.	8	JAGUAR ACCESSORIES A range of accessories which your Jaguar Retailer can fit is also available.	19
		LEGAL INFORMATION	25

(1) Connected Navigation will require further subscription after the initial term advised by your Jaguar Retailer. (2) Fair use policy may apply. Standard 1 year subscription, which can be extended after the initial term advised by your Jaguar Retailer. (3) Compatible smartphones only. Software availability subject to over-the-air updates. Your car is prepared for Android Auto. The services offered by Android Auto depends on feature availability in your country, please see android.com for more information. (4) Compatible smartphones only. Software availability subject to over-the-air updates. Your car is prepared for Apple CarPlay. The services offered by Apple CarPlay depend on feature availability in your country, please see apple.com for more information. (5) Remote contains subscription services that can be extended after the initial term advised by your Jaguar Retailer. The Remote App will need to be downloaded from the Apple App Store/Google Play Store. (6) Secure Tracker and Secure Tracker Pro services require activation and must be in an area with network coverage. Includes service subscription for 12 months and can be upgraded to the warranty period or renewed after the initial term as advised by your Jaguar Retailer.

In car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

Pivi and InControl features, options, third party services and their availability remain market dependent - check with your Jaguar Retailer for local market availability and full terms.

Mobile network connectivity cannot be guaranteed in all locations.

Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected.

*On The Road Price includes First Year Vehicle Excise Duty, delivery fee (£515.00) and registration fee (£55.00). **WLTP is the new official EU test used to calculate standardised fuel consumption and CO₂ figures for passenger cars. CO₂ figures shown are based on the standard specification. From 1st April 2020 WLTP CO₂ figures will be used to calculate Vehicle Excise Duty. When vehicles are modified from the standard condition, a unique CO₂ value will be applied to the vehicle to calculate applicable VED. Please contact your Retailer for further information. Please refer to the accompanying Technical Specification for full details on driveline, engine performance and fuel economy.

(1) Jaguar towing electrics are capable of powering caravans, trailers or lighting boards including those fitted with rear mounted LED lamp kits. However there is a minimum current required which some auxiliary lighting may not support. Please refer to the Owner's Handbook for details of the minimum and maximum electrical loading supported. Towing capacity offered varies between 1,600kg - 1,800kg dependent upon powertrain. The system includes 13 pin towing electrics. Kit includes towing harness, towing module, towing module fixings (two required), towing loadspace trim panel and rear bumper valance. Not applicable for vehicles fitted with a space saver spare wheel. 21MY onwards.

IMPORTANT NOTICE

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation. Comparisons are based on manufacturer's own data and testing prior to publication.

COLOURS

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Jaguar Retailer. Distributors and retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

JAGUAR ACCESSORIES

All Jaguar Accessories fitted by a Jaguar Retailer within one month or 1,000 miles (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 24 month unlimited mileage warranty. All Jaguar Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Jaguar Retailer for more information.

All our accessories are designed to be an integral part of Jaguar vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Jaguar Retailer who will be pleased to advise you on current specifications and any query you may have.

ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is committed to reducing dependency on fossil fuels, using fewer natural resources and creating less waste as part of our approach to responsible and sustainable business development.

Search 'Jaguar Environmental Innovation' for more details.
